

27 October 1958

MEMORANDUM FOR: TALENT Control Officer, CIA
 TALENT Control Officer, DD/I
 TALENT Control Officer, OGI
 TALENT Control Officer, ORR

SUBJECT: Dissemination of Reports [REDACTED]

50X1

1. OSI and ORR representatives have in the past requested that I automatically send copies of all CIA produced TALENT reports to [REDACTED]. On each occasion, I have referred them to the current policy of the DD/I; e.g., that OSI and ORR advise HTAUTOMAT as to what reports are to be released.

50X1

2. The following summary shows the results of a survey made as of the end of September 1958 indicating a total of 70 reports which have not been sent to [REDACTED]

50X1

<u>General Subject Categories</u>	<u>Briefs</u>	<u>PI Memo</u>	<u>PI Reports</u>
Airfields	4	2	-
Area Complexes	4	-	-
MOS	7	-	1
Electronics, Elect., Commo.	3	1	-
Industry	9	12	-
Military Areas	3	-	-
Missile Sites	7	-	-
Nuclear	-	1	1
R & D Facilities	1	-	-
Naval	1	-	-
Storage	2	2	-
Transport	9	-	-

3. This in no way is intended to reflect any dereliction on the part of ORR and OSI, since many of these are recent publications. I have also been sending [REDACTED] a sterile copy of our monthly listing of TALENT reports from which reports may be selected by title or number and requested. To back-track on these reports does create extra work at HTAUTOMAT.

4. In view of the ORR and OSI requests for automatic dissemination and the summary shown above, request that the current policy be reviewed and authority be granted to send 2 copies of all CIA and Joint produced TALENT reports to [redacted] Joint reports will be cleared with all participants before release.
